IMS2018 SPONSORSHIP AND PROMOTIONS

You’ve selected your space, designed your booth, and your products are ready. Now it’s time to maximize your exposure onsite! Sponsorships are the way to do that and we can help!

Engaging the IMS attendees through a sponsorship or promotion is a great way to ensure your goals will be met and your company will get the most benefit and visibility from exhibiting.

IMS offers a variety of options to suit your marketing budget. Our sponsorship program is designed to get you in front of the attendees, create brand awareness and deliver attendees to your booth. Below is a list of NEW sponsorship items available for 2018.

- Networking Area Specialty Coffee & Tea Service
- Networking Area Popcorn Service
- Mobile App Banner Ads
- Specialty Item Bag Insert
- Convention Center Window Clings
- SIGHT (Special Interest Group on Humanitarian Technology) Sponsorship

IMS2018 EXHIBITOR PROSPECTUS
AT WHAT FREQUENCY DO YOU WORK?

- RF: 69%
- Microwave: 66%
- Millimeter-wave: 49%
- Terahertz: 13%
- Other: 8%

WHAT IS YOUR PRINCIPAL JOB FUNCTION?

- (A) Executive/Senior Management: 11%
- (B) Engineering Management: 4%
- (C) Engineering/Technology Development: 3%
- (D) Government: 5%
- (E) Government - Military: 5%
- (F) Government - Other: 3%
- (G) Health: 2%
- (H) Healthcare/Pharmaceuticals: 2%
- (I) Healthcare Technology: 2%
- (J) Healthcare Technology (Government): 1%
- (K) Healthcare Technology (Military): 1%
- (L) Healthcare Technology: 3%
- (M) Healthcare Technology (Military): 1%
- (N) Healthcare Technology: 1%
- (O) Healthcare Technology (Military): 1%
- (P) Healthcare Technology (Other): 2%
- (Q) Healthcare Technology (Other): 1%
- (R) Healthcare Technology (Other): 1%
- (S) Healthcare Technology (Other): 1%
- (T) Healthcare Technology (Other): 1%
- (U) Healthcare Technology (Other): 1%
- (V) Healthcare Technology (Other): 1%
- (W) Healthcare Technology (Other): 1%
- (X) Healthcare Technology (Other): 1%
- (Y) Healthcare Technology (Other): 1%
- (Z) Healthcare Technology (Other): 1%

WHAT PRIMARY END PRODUCT OR SERVICE DO YOU WORK ON?

- (A) Communication Systems, Equipment: 18%
- (B) Wireless (WiFi, WiMAX, UWB, other): 8%
- (C) Government - Military: 5%
- (D) Government - Other: 3%
- (E) Defense Electronics: 5%
- (F) Medical Electronics: 2%
- (G) Navigation/Telemetry/GPS Systems: 1%
- (H) Industrial Automation/Control Systems: 1%
- (I) Transportation (Aircraft/Auto): 1%
- (J) Consumer Electronics: 2%
- (K) Computers or Peripherals: 0%
- (L) Test & Measurement: 7%
- (M) Components/Hardware: 8%
- (N) RF/IF Front End Mod: 15%
- (O) Data Transmission: 1%
- (P) Semiconductors & ICs: 18%
- (Q) Materials: 1%
- (R) Services: 2%
- (S) Software: 2%
- (T) Retail: 2%

WHICH PRODUCTS AND/OR SERVICES DO YOU RECOMMEND, PURCHASE OR INFLUENCE THE PURCHASE OF?

- Active Components: 40%
- Antennas: 27%
- Control Components: 11%
- Materials: 17%
- Manufacturing Equipment: 8%
- Optoelectronics & Fiber-Optics: 7%
- Passive Components: 41%
- Semiconductors/Integrated Circuits: 36%
- Software: 25%
- Test Equipment & Instruments: 35%
- Transmission Line Components: 13%
- Consultant Services: 6%
- Not Applicable: 22%

IMS2018 EXHIBITOR WORKSHOPS

- 2-hour practical hands-on workshops presented in which companies feature how specific products and tools solve challenging technical problems.
- 5G Pavilion on exhibit floor.
- Exhibitors are encouraged to submit workshop proposals. All proposals will be reviewed and selected for presentation by the IMS Steering Committee.
- Designed to enhance practical training for working engineers.

IMS2018 EXHIBITOR BENEFITS

- A listing in the official Exhibition Catalog and Map Guide.
- An IMS Exhibitor Console.
- Access to IMS2018 promotional opportunities.
- Priority space selection for the IMS2019.
- Choice of hotel accommodations including hospitality suits and meeting space.
- Access to discounted conference registrations.

IMS2018 EXHIBITOR OPPORTUNITIES

- Join us as at IMS2018, the world’s largest microwave and RF industry conference and trade show for professionals buying and developing materials, devices, components, and systems, as well as design and simulation software and test/measurement equipment for products operating at RF, microwave, millimeter-wave, and THz frequencies.
- 9000 participants from over 50 countries include senior management, engineering management, engineers, and R&D personnel from the private sector and government/military. Participating exhibitors will establish new US and international connections, present products directly to industry leaders, and stay on top of the latest advances in radar, 5G Telecommunications, IoT, and Medical technologies.
- Reserve your IMS exhibition booth today.

EXHIBIT SPACE PRICING

- IMS2018 Exhibit Space is $3,750 per 10x10 booth.
- 5G Pavilions will also be available offering several different exhibit package options. Please contact the IMS exhibits department for detailed Pavilion information.
